On Thursday, May 5, 2005, Examiner Lorrie BIRCH telephoned the undersigned regarding the illegibility of applicant's *List of Cited References (form PTO-1449)* filed by applicant on March 20, 2001. This original list of six sheets on legal-size paper is a true photocopy from the files of the applicant's undersigned attorneys as it was copied from the parent case (US Patent Application Serial No. 08/208,626 filed on March 9, 1994, now abandoned) and was submitted under 37 CFR §1.56 in order to fulfill applicant's duty of disclosure.

In response to the telephone call from Examiner BIRCH, applicant hereby submits a re-

typed *List of Cited References* on an updated substitute form PTO-1449 which now complies with 37 CFR §1.52(a)(1) regarding the legibility and reproducibility of formal papers in a patent application file wrapper.

Applicant's undersigned attorney hereby states that no new references have been added and that no previously submitted references have been deleted hereof based on the submission dated March 20, 2001. Accordingly, it is respectfully requested that the re-typed *List of Cited References* on six sheets of letter-size paper (attached hereto) be accepted by the Examiner as replacement sheets in view of 37 CFR §1.121 regarding amendments to a patent application.

It is respectfully requested that applicant's *Information Disclosure Statement* together with the re-typed *List of Cited References* be considered as timely filed in accordance with 37 CFR §1.97(b)(3) before the mailing of a first Office Action on the merits, and in accordance with 37 CFR §1.98 regarding the content thereof.
